SHALYA PRATYAKSHAKI - 2020

"A National Level Workshop On Live Surgical Demonstration of Ano-Rectal Disorders"

Saturday, 11th January 2020

Organized by
Department of PG Studies in Shalya Tantra
 Rajiv Gandhi Education Society's
 Ayurvedic Medical College, Hospital
 Post Graduation & Research Centre
 Dist. Gadag **RON - 582209** State : Karnataka

ABOUT THE INSTITUTE

Rajiv Gandhi Education Society's Ayurvedic Medical College, Hospital, Post Graduation and Research Centre, Ron of Gadag District was established in 1992. This college is affiliated to Rajiv Gandhi University of Health Sciences Bengaluru and Recognized by Govt. of Karnataka, Ministry of AYUSH and CCIM New Delhi. It has aimed to provide quality education and effective health care to the needy, poor & rural people. It is our privilege to say that our institution has come out as an esteemed Institute. The Institution has well equipped "Central Research Laboratory" which is recently upgraded with all Modern Advanced Technologies which helps all research scholars to achieve their academic excellence. The Institution has 06 Post Graduation Departments namely Shalya Tantra, Dravya Guna, Kaya Chikitsa, Stree Roga & Prasuti Tantra, Rachana Shareera & Pancha Karma with highest academic success.

ABOUT DEPARTMENT

Post Graduation department of Shalya Tantra started in 2012, has an intake of six scholars each year. The department is well equipped with all facilities like major and minor operation theaters and procedure rooms. The department under the expertise hands has made a great contribution in the field of Ano Rectal Disorders by the speciality of Kshara Sutra ligation and also other Abdominal surgeries thereby providing clinical exposures to under graduates and post graduates.

ABOUT WORKSHOP

"Shalya Pratyakshaki 2020" is aimed to get updated with recent trends in surgery along with classical principles of Ayurveda which is the need of the hour for Under Graduate Students, Post Graduate Scholars, Practitioners and Teachers as well. The event is christened as National Level Workshop of Live Surgical Demonstration on Ano-Rectal Disorders. Brain storming scientific sessions by eminent subject experts will be the highlight of the Workshop. It will also provide a platform for an interaction with resource persons.
